

SECRETHISTORY OF CIG - SSWCC RELATIONS TO DATE

1. NIA Directive No. 1, paragraph 2, provides that "The Central Intelligence Group will furnish strategic and national policy intelligence to the President and the State, War and Navy Departments, and, as appropriate, to the State-War-Navy Coordinating Committee, the Joint Chiefs of Staff, and other governmental departments and agencies having strategic and policy functions related to the national security."

2. On October 1, 1946, CIG initiated consideration of the closest possible CIG-SWCC relationship. On November 20, 1946, SWCC agreed to certain liaison procedures which were issued for SWCC information in SWCC 230/1, and for CIG information in CIG Directive No. 17 of December 5, 1946. Operational details were subsequently issued in CIG Operations Memorandum No. 8 of 22 January 1947.

3. Since early 1946, all formal SWCC papers have been distributed to CIG for information. These are received in the Advisory Council, where they are "briefed" and given such internal CIG distribution as appears appropriate. CIG policy papers (including IAB and NIA) are distributed to SWCC only when they touch upon matters of direct interest to that organization.

4. Upon firm establishment of the Dissemination Branch of OGC in the fall of 1946, two copies of all finished intelligence have been distributed as a matter of routine to the SWCC Secretariat. Current policy (paragraphs 1 and 2 above) provides CIG representation on SWCC working committees "when requested" in addition to permanent authorized direct liaison as follows:

SWCC Subcommittees:

25X1A

For Europe.....Chief,
 For Far East.....Chief,
 For Latin America.....Chief,
 For Near and Middle East.....Chief,
 Military Information Control.....Chief, Security Control

5. The following permanent and ad hoc committees are established in SWCC but have never requested assistance or participation by CIG:

SWCC Subcommittees are:

Foreign Policy Information
 Rearmament
 Release of State Papers
 Security Control (Sec. Advisory Board)

- Trusteeship of Mandated Islands (SENCO 30)
- Training of Foreign Nationals at U.S. Service Schools (SENCO 31)
- Basis for Formulation of a U.S. Military Policy (SENCO 32)
- Formulation of a National Policy with Respect to Foreign Trade in relation to National Security (SENCO 33)
- Civil Administration and Jurisdiction Concerning U.S. Persons in Belgium (SENCO 34)
- Immunity of U.S. Military Personnel from Foreign Criminal Jurisdiction (SENCO 35)
- Civil Rights and Liabilities of U.S. Citizens in Occupied Areas (SENCO 36)
- Study of Structure and Procedures of SENCO

6. a. SENCO has recently established a full time committee on Psychological Warfare. OIC is represented on this committee by a full fledged voting member.

b. OIC is collaborating closely with the "Special Committee" on economic aid and is currently furnishing special intelligence studies on each country under consideration for its use. In addition, OIC is furnishing comments on the intelligence aspects of selected papers prepared by SENCO participating agencies.

7. IQAPS and GNS are of the opinion that the minimum degree of OIC liaison with SENCO, in order to meet effectively the intelligence requirements of SENCO, is as follows:

a. OIC permanent "Intelligence Adviser" status on each of the regional SENCO subcommittees cited in paragraph 5 above.

b. Designation by the Director of an officer of OIC to maintain direct and daily liaison with the SENCO Secretariat for the performance of the following functions:

(1) Coordination of intelligence production or review by OIC on behalf of SENCO projects.

(2) Recommendation of additional required OIC representation on SENCO subcommittees and ad hoc subcommittees other than those regional subcommittees on which OIC has permanent status, and

(3) Coordination and supervision of all intelligence services rendered to SENCO by OIC.
